

Dear Families/Caregivers,

Life is not meant to be a solo act. People are designed to work and play together. Cooperation is essential for getting along with others. Working together benefits everyone! We have been learning about roles and responsibilities when working in groups. When groups work together, everyone must:

Know the Goal
Know Your Part
Do Your Part
Help Others When Asked

Some group roles include:

- The Leader
- The Reporter
- The Materials Manager
- The Artist
- The Encourager
- The Timekeeper

Here are a few ways you can help your child do his or her part:

- Encourage your child to identify his or her roles and responsibilities in your house and what responsibilities those roles entail.
- Work as a family on a project or game where each person has a specific role and responsibilities.

Sincerely,

Your Child's Teacher
